## Team Member Spotlight

Lauren has been a part of the Hub family for over a year now! She is from Paducah, KY & graduated from WKU with her marketing degree. Her free time includes lots of travel with friends and family or spending time with her boyfriend Jacob & their dog. She went to the humane society with the intention of adopting a young pup, but in true Lauren fashion left with a 15-year-old dog, Buddy! Lauren loves planning fun events for our residents. You can thank her for the margarita bar, donuts, food trucks and much more! We appreciate Lauren for keeping the community socially engaged. If you see her around be sure to let her know her hard work doesn't go unnoticed!
