

HUB NEWS NOVEMBER

HUB OPERATIONS - BEHIND THE SCENES SPOTLIGHT:

Our Hub/Chandler Real Estate Lawncare team is one of the hardest working crews you will find in Bowling Green. They work tirelessly in extreme heat and cold to ensure the community grounds are in pristine condition. As you may recall, we had one of the hottest and driest summer seasons in recent years and while all throughout Bowling Green, many lawns suffered, our Hub grounds continued to look lush and beautifully maintained. This team is critical in keeping our community attractive and we are so happy to have such a great crew to help ensure that the grass really is greener at The Hub! If you see Kevin and his crew out and about cutting lawns or planting flowers, be sure to give them a wave or a hello to thank them for their hard work.

TEAM MEMBER SPOTLIGHT

Jessie Watson is one of the Hub Community Managers. She is a graduate of WKU and has worked for the Chandler/Simpson Group for over 10 years. Some of you may know her from her previous role at Chandler Park Apartments. Jessie is always going above and beyond for our residents and her co-workers. Those that know Jessie might dub her as “America’s sweetheart” because she is a joy to be around and one of the most selfless people you’ll ever know. When she’s not working (which is rare), Jessie enjoys spending time with her husband, extended family and her yellow lab, Maple. We are truly grateful to have Jessie on our team!
