NEIGHBOR ENTRY-RACHEL'S STORY

"The neighbor I would like to "feature" is one of my upstairs neighbors, Sydney. I had seen her walking her dog soon after I first moved in August 2021, but we didn't officially meet until 2022. I left a note, a gift card, and small package of chocolate on her front doormat and addressed it "Your neighbor" just hoping to bring a smile to their face. Next thing I know, a few nights later there was a knock on my door, and it was Sydney! She had put together the cutest little gift bag with the sweetest note about how she had been struggling that week, feeling really lonely working from home, and not having too many friends here in BG, and then she found my note at her door. We have been friends ever since! We have shared pool days, dinner out, and just time together helping her package things for her reselling company. She is the KINDEST soul probably in existence. Her and her husband have the sweetest love story I've ever heard, one that is truly out of a movie. She is one of those rare people in life that you pray to have the privilege of meeting and building a relationship with. I am so thankful that living here brought us together!!"

TEAM MEMBER SPOTLIGHT

Meet Leslie! Leslie has worked for the Hub leasing team since 2021, and is a founding member of the Hub. She has seen the Hub grow from the ground up, and we are so thankful to have her as part of our team. In her free time, you may spot Leslie and her family taking walks around the Loops, or putting on a talent show in the courtyard. If you do, be sure to say hi! We wish Leslie all the best as she starts a new chapter in her life in Florida. We will all miss you!
