## WINTER IS COMING!

Nobody likes to scrape their windshield early in the winter mornings! Parking in a garage is a great way to avoid it. Reach out to us if you'd be interested in renting a garage from us and want more information.

## PET OF THE MONTH

Our November pet of the month is Wrigley! Wrigley loves to watch the sunsets at Central Park. Thank you Kevin Brassell for introducing us to your sweet pup!

## UPCOMING HOLIDAY REMINDERS

The holidays will be here before you know it! Here are a few tips to think about before they arrive:

- If you have a lot of guests coming over, remind them about guest parking located at the leasing office or in front of the cottages.
- Avoid putting gift boxes, wrapping paper, and trash in the breezeways. We want to keep everything nice and clean for the community!
- Holiday gatherings can be so fun with lots of laughter and conversations! Just make sure to consider your neighbors when it comes to noise levels.
- Surprise your neighbor with a holiday treat or holiday card! Small gestures like that go a long way!
